

CreO IO2 – Unit 3
Start Thinking Critically!¹

Think of something that someone has recently told you. Then ask yourself the following questions.

Who said it?

(Someone you know? Someone in a position of authority or power? Does it matter who told you this?)

What did they say?

(Did they give facts or opinions? Did they provide all the facts? Did they leave anything out?)

Where did they say it?

(Was it in public or in private? Did other people have a chance to respond and provide an alternative account?)

When did they say it?

(Was it before, during or after an important event? Is timing important?)

¹ Retrieved from <https://www.skillsyouneed.com/learn/critical-thinking.html>

Why did they say it?

(Did they explain the reasoning behind their opinion? Were they trying to make someone look good or bad?)

How did they say it?

(Were they happy or sad, angry or indifferent? Did they write it or say it? Could you understand what was said?)
